## Important Notice

### Regarding your Medical and Dental Benefits

**To: City of Hartford Employees and Retirees:**

In an effort to maximize current healthcare benefits in a cost effective and efficient manner, the City of Hartford solicited competitive bid proposals from national Health Benefits Administrators. After careful analysis of all responses, the City has chosen CIGNA HealthCare to administer the City's Medical and Dental plans effective **January 1, 2016**.

The decision was based upon favorable medical and dental pricing and Cigna's ability to match our current benefit plan designs. The transition to Cigna is for Medical and Dental benefits only. **Your prescription drug benefits carrier will remain with CVSHealth (CVSCaremark).**

Your negotiated benefits will not be diminished as a result of this change. Be assured that CIGNA's administrative capabilities, extensive provider network and experience in providing benefits to like municipalities in the State of Connecticut will provide you and your family members with the excellent service you expect.

If you wish to learn more, the City of Hartford along with Cigna Representatives will schedule informational sessions during the months of October and November. Further written information will follow.

In the meantime, please feel free to call the Benefits Division of Human Resources at Hartford City Hall with any questions at 860-757-9860.

We look forward to seeing you at one of our informational meetings.

Sincerely,
