ADAM M. CLOUD
CITY TREASURER

September 7, 2017

HMEA Members:

My name is Lauren Flecha-Rosado and I am the new Member Services Specialist in the Pension Administration Unit. Please allow me to take this opportunity to introduce you to the PAU and provide an overview of the services it offers to past and present members of the MERF.

The PAU and its staff, which is housed within the Office of the City Treasurer, is available to answer pension related questions, assist employees in completing the various enrollment and transaction forms and provide individual counseling on any pension-related questions or issues an employee or retiree may have. In addition, we are available to attend your membership meetings in order to provide a detailed overview of your union's pension plan.

While it is an employee's responsibility to become familiar with their retirement benefits, the PAU is always ready, willing and able to assist. We encourage all members to request an annual pension estimate so that one can continually educate themselves as to their pension eligibility up to their actual retirement date.

Please contact me if you would like me to request an estimate or schedule a meeting to review your pension benefit. My phone number is (860) 757-9132 or my email address is flecl002@hartford.gov. I look forward to working with you all in the near future.

Sincerely,
